

Recreation Director Appointed

Plans for Library Approved

SPECIAL MEETING ST. ALBERT COUNCIL - Oct. 3rd.

During last Monday's special meeting Town Council approved the appointment of St. Albert's second full time Recreation Director, Mr. Elmer Harrison. Mr. Harrison will assume his duties on Tuesday, October 4th under the supervision of Mr. Andre Gates Superintendent of the St. Albert Parks and Recreation Department.

Council also approved the complete plans for the construction of the Centennial Library, and will immediately call for tenders. Council hopes that on or before October 24th this tender will be awarded.

COUNCIL MEETING SEPT. 26TH.

Mr. Roberts will attend the Alberta Building Officials Conference in Calgary October 14th and 15th.

UNUSUALLY BUILDINGS:

Council was shown photographs of two unsightly premises put through motions to have the owners notified of their responsibility to clean up these properties within a time limit as stipulated under the Town's Nuisance By-law.

ELECTION FEES RAISED:

On recommendation of the Returning Officer, Council voted to increase fees paid to Deputy Returning Officers and Poll Clerks to \$20 and \$17 respectively. The increase amounts to \$2 for each position over last year.

GIBBONS HOME FOR AGED:

Council was advised that a meeting of the Sturgeon Foundation had not come to any decision of the matter of a second Home for the Aged in Gibbons, because a decision required unanimous support of all members of the Foundation. Morinville was of the opinion such a home was premature and the question had been postponed for one month. Council passed a resolution asking the St. Albert delegate to support the construction of this home.

NEW BUSINESS:

Councillor Donals reported on the renovation of the St. Albert Curling Club in preparation for the coming season and advised that the Club was hoping this season would prove even more successful than that of last year.

Councillor Gibbon advised that the Hercules club was meeting

St. Albert's Parks Superintendent, Andre Gates, refers to a map of the Town during a chat with the newly appointed Recreation Director for St. Albert, Mr. Elmer Harrison.

Mr. Harrison comes to St. Albert from Edmonton where he was employed for the past 2 and 1/2 years for the City Recreation Department, in the capacity of area recreation director, and later as recreation director for the Edmonton Senior Citizens Homes.

Mr. Harrison has had considerable experience in the field of sports - both as a participant and as a coach, in many types

of sport. He brings a wealth of experience to his new post with twelve years in Recreation work and three years in public welfare.

He is married with a family of six, four of his children are still living at home. He is 44 years old.

Mr. Harrison began his new duties in St. Albert on October 3rd.

Oct. 3rd and that some concern had been expressed regarding the liability insurance under the Joint Use Committee. It was suggested the Club write to the Committee in this regard.

Investigation by Councillor Gibbon of Services made available here by the Community Fund satisfied him that the Town would benefit greatly, and he suggested that residents contribute to the door to door canvassers rather than through their places of employment. He further recommended the full support of the Town for the campaign.

ST. ALBERT POST OFFICE:

In response to a question by Councillor de Bruijn Mayor Fowler advised that a letter had been sent to the proper authorities bringing to their attention their agreement to return the Town to its own postal identity. He proposed writing again in an effort for the extension of the building to be considered by the Government in its 1967 estimates. Councillor Wheatley pointed out the request

of the Government that municipalities postpone capital works due to the inflationary situation, should be borne in mind.

COVERED ICE RINK:

Councillor de Bruijn having discussed this building plan with the Contractor of a new arena at Drayton Valley, felt that the forthcoming By-law would put this structure within our reach if it passed. It was arranged for the Arena Committee to meet Thursday evening.

Mayor Fowler requested that Mr. Wheatley bring a report on the Hearings On Exempted Properties by the Provincial Government with regard to the Youville Home. The Town had not been represented on one hearing on the Retreat House.

COFFEE PARTY:

Mayor Fowler apologised on behalf of Councillor Bakker who was not able to attend this meeting. And he extended an invitation to Councillors and their wives to

Village of Legal

Arena to be Constructed

FOR CENTENNIAL PROJECT:

At a joint meeting of the Legal Council and the Recreation Board it was decided to go ahead and construct the Arena as one of our Centennial Projects now that the centennial grant for it has been approved.

A committee of three: Leon St Martin (Mayor); Joseph Nault (Chairman of the Rec. Bd.); and Father A. Ricard (Pastor of Legal) were named to negotiate with contractors for prices, with a definite decision on what contractor will be accepted and what finishing we can afford is to be decided at next Tuesday's joint meeting of the Village Council and Rec. Board.

MUSIC, MUSIC, MUSIC.

Music, the universal language, is being taught to some 65 students in Legal. Piano lessons are being given by Rev. Sr. Coriveau and Mrs. P. Lutz. Mr. Surette is the accordion, violin, guitar, mandolin and drum teacher. Mr. Surette holds classes at the Recreation Centre every Friday.

Mrs. R. Boissonnault and Mrs. W. Van De Walle are to be congratulated for obtaining the services of a highly competent music teacher in the person of Mr. Surette. The splendid co-operation of the clergy the school principal and his staff, the school board and the recreation board was most gratifying.not to mention the enthusiasm of the parents to have music taught here in Legal.

Best wishes to the music teachers and pupils for a very successful music year. The people of Legal can look forward to much entertainment by their youth in the years to come.

MAYOR'S COLUMN

OCT. 5TH

Five rather wanly contested elections since 1962 and then "Acclamation" in 1966. A Political Scientist writing a Master's Thesis would never be short of material.

If this election by acclamation is an indication of faith in the present Mayor and Council, allow me to express my gratitude. If on the other hand it is an indication of apathy, my feeling is one of regret in place of gratitude. Election Day (October 19th) will prove to Council which it is - faith or apathy.

Last October's election brought out approximately 27% of the electors with two seats on Council to be filled. What can we expect this year? While the Mayor's Chair and Council's are filled, there are several very important items before the electors of St. Albert.

If LESS than 50% of the Proprietary Electors vote, the By-laws will require a two-thirds majority to carry, if OVER 50% of the Proprietary Electors vote a simple majority will carry the By-law.

If you or your children want to swim in an Olympic sized pool in St. Albert next Spring, you have to get out and say so on October 19th by casting your ballot.

If you want your garbage cans hauled from the house to the street, do not expect your neighbour to obtain this service for you. You will have to get out and say so on your ballot.

If you want the possibility of Sunday Sports in St. Albert, no one but you and you alone can obtain it or reject it if you so wish.

If you believe your Mayor is entitled to a more realistic salary than \$45.00 per year, the Town and Village Act states that you must say so on a ballot. Cities (of which we are larger than three) can set the Mayor's and Councillors' remuneration by a Council decision, in towns it must be submitted to a vote. The following is not an untypical week for any Mayor of St. Albert and includes those obligations on behalf of the Town, for the current week:

(1) In Town Office daily from 3:00 p.m., (2) Council Meeting Monday night, (3) Joint-Use Meeting, Tuesday p.m., (4) Industrial Development Committee Meeting Tuesday night, (5) Edmonton Regional Planning Commission Meeting Wednesday p.m., (6) Regional Meeting of the Union of Alberta Municipalities at Leduc - All day Friday, (7) Six to twenty phone calls per week at a Town phone located in my City office.

If you want an indoor arena THIS WINTER, you will have to say so on your ballot. This Arena IS NOT

Thanksgiving Message

Thank you Lord

Countless Canadians will be making feverish preparations for the Thanksgiving weekend. Roads will be clogged with speeding motorists. Many will have made their last trip ...into eternity.

It would be a fine idea if every one of us would take time off to write in a book the countless blessings we have received, a book where we could write beside each blessing Thank you, God!

This might appear to be mechanical, but is it not better than never to thank God at all?

Thank you, God, that I can see ... So many are blind ... They cannot see your sunsets autumn, colors, rainbows; Nor Your Divine plan ... for so many are spiritually blind.

Thank you God, that I can hear! So many have not heard the voice of their mothers, the singing of the birds, the autumn wind in the trees, the rustling of leaves. So many are also deaf to your call! to your word .. to your command ...

Thank God that I can walk .. that I can work!...

Thank You, God, for the bountiful harvest. So many in other countries will die of hunger and we are living in a land of plenty.

Thank you God, for knowing you and believing in you. Thank you for the privilege of serving you.

No library book could be large enough to record all our blessings, for every ray of sunshine and every star is a gift; every kernel of corn, every shaft of wheat, every blade of grass and every drop of rain, is a gift... Every grace of God, every death, and new birth, is a blessing.

How can we ever thank God enough for it all

M.J. Lafrance, O.M.I.

the Grace of Gratitude

A THANKLESS person is a graceless one! Unthankfulness and unholiness go hand in hand. St. Paul speaks of this attitude and spirit this way: (1 Timothy 3:1-17) "This know also, that in the last days perilous times shall come. For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy," with all the list of noncommittal traits and dispositions of sin and evil. So, without straining the thought, from what Scripture says, and what any normal being can evidence in his own heart and in the world around him, we must say that there is a very close relation between unthankfulness and un-holiness.

Romans 1 portrays a people who have hit an all time low in morals and unholiness, a state which drew down upon them God's severe condemnation and judgement, and it all came about because of what we read in verses 21-23: "For although they knew God they did not honor Him as God or give thanks to Him, But instead they became futile and godless in their thinking (with vain imaginings, foolish reasoning and stupid speculations.) Claiming to be wise, they became fools (pretending to be smart, they made simpletons of themselves.)" (Amplified New Testament.)

It is such a delight to meet a soul who is really, devoutly thankful -- one who does not have to wait till Thanksgiving Day comes, no matter what date, to manifest true gratitude to God for all His boundless mercies -- and the goodness of God surely has been poured out without limit upon us this past year! Strange that when a person loses sight of God, and that it is from Him that we have received, and day by day receive, all that we are, have, or ever hope to attain, that he reverts to a life and existence that is slightly better than that of an animal. The Psalmist cannot possibly contain himself as after God had forgiven his sins, restored him to fellowship with Him, and with shouts of adoration and praise he says: "Bless the Lord, O my soul; and all that is within me, bless His Holy Name! Bless the Lord, O my soul, and forget not all His benefits, who forgiveth all your iniquity, who heals all your diseases, who redeems your life from the Pit, who crowns you with steadfast love and mercy who satisfies you with good as long as you live." (Psalm 103:1-4). A thankless soul becomes barren and destitute of those qualities that our homes, society, and the world is in such desperate need today. The writer of Proverbs says: "A merry heart does good like a medicine: but a broken spirit dries up the bones." "There is nothing as pathetic as a person whose soul and spirit of love, compassion, and thankfulness is dried up from within. It shows in his face, in his attitudes, in his speech, in anything and everything he touches. I am a soul cut off from God, shut out from the light, trying desperately to get by the best way I can--but what a miserable, lonely, joyless existence it really is. But how refreshing and up-lifting to meet a person whose soul and spirit is moved by and fed from above, from God, who through Jesus Christ has opened the very windows of Heaven that we may live a rich, meaningful, and joyful life. "Giving thanks always for all things unto God the Father in the Name of our Lord Jesus Christ." God can make your life like this if you will only permit Him!

HOUSEWARMING FOR MR. AND MRS. P. PREFONTAINE:

Mr. & Mrs. Philippe Prefontaine and family have recently moved into their new home. A house warming party attended by many friends and relatives, was held Saturday in their honour. A purse was offered to them on behalf of everyone present.

FRIED CHICKEN SUPPER: CASH BINGO - NOV. 13th.

A meeting of the various organizations was held Monday and it was decided that the annual supper would be held on Sunday November 13th.

P. REMILLARD AND T. SCHEFFELMAIER EXCHANGE VOWS AT ST. EMILE'S.

On Saturday September 24th in St. Emile's Church in Legal Miss Paulette Remillard became the bride of Mr. Ted Scheffelmaier. The bride is the daughter of Mrs. Diane Remillard of Legal and the

groom is the son of Mrs. O. Scheffelmaier of Coronation.

Rev. Father Ricard performed the double ring ceremony.

Soloist was Mrs. Leo Maurier accompanied by Sister Corriveau at the organ.

The bride given in marriage by her brother-in-law Mr. Maurice Bugnet, chose a floor-length gown in Peau de Soie with scooped neckline and lily point sleeves. A fitted bodice, with an empire waistline over a control line skirt with hand clipped lace-appliques. A detached chapel train falling from the waistline was also appliqued with hand clipped lace. Her bouffant veil was held in place by a pearl tiara. She carried a bouquet of Red Roses.

The bridesmaid was her niece Yvonne Bugnet. She wore a floor length gown of pink peau de soie, with a lace empire line bodice. She carried a bouquet of white carnations.

The best man was Eddie Wahl of Coronation. Ushers were A. Rodrigue and M. Remillard.

A reception for the family was held at the Community Hall. The bride's table was centred with a three-tier wedding cake decorated in white and pale pink.

Following a honeymoon to the United States the couple will reside in Edmonton.

"\$500.00 a month for part time employment! Sounds good? - For my money (and yours) it sounds too darned good!

Just prior to the last civic elections, Mayor Fowler assured me in conversation that if it was defeated, they would not ask us to vote again on a part time mayors salary.

So much for Mr. Fowler's assurances - and so much for our council economies!

At the town meeting on garbage collection some council members were very proud to have cut two men off the garbage payroll - what economy - to enable them to give a part time mayor twice as much money as some people get on full time work?

And how about that recreation facilities by-law? How about separating the three items of swimming pool, skating rink and tennis courts to see which we want if any, before spending our money like so much cheap (not St. Albert) water."

If our tennis fans want to play on new facilities in 1967, you will have to get out on October 19th and say so.

While no Councillors' or Mayor's vote is necessary this month, this election is likely far more important to our residents than in the past.

As instructed by Council, I will be sending a letter to all rate-payers in St. Albert explaining the Recreation By-law in greater detail and HOW we can build a pool for the amount of money called for in the By-law - \$75,000.00. In the meantime, if you are in favour of the By-law (or any one of them), take it up in your neighbourhood and encourage all your acquaintances and friends to exercise their democratic right on October 19th.

Come on St. Albert

In some ways the coming elections appear to have less than usual interest for some of the voters in the Town of St. Albert. Mayor Fowler, 2 Councillors and the three required representatives on the Public School Board have all been elected by acclamation. In addition one of the plebiscites - on the kindergarten - involves only separate school supporters.

However, there is an area of concern which is of vital importance to ALL members of our developing community - the other plebiscites and money by-laws. Largest of these is the Recreation By-law on the proposed joint project of Outdoor Swimming Pool, Covered Natural Ice Rink and Tennis Courts.

The investment now in these sports facilities would be wise in several respects. Our children and young people would occupy such a great deal more of their time than they are now able to do in body building and character building sports.

Another point deserving serious thought is the question: "How Long Can St. Albert Continue To Grow and Expand Without Offering These Recreational Facilities?" Artificial ice arenas and Indoor Pools are offered not too far from us. For families planning to build, buy or rent a home would not the lack of these major facilities cause them to think twice before settling in St. Albert?

Cost is a main consideration and \$160,500 is required now. If we postpone our decision how much more funds will be needed in a year - or two or three?

A Town of our size requires a good recreation director to organize and manage a worthwhile program. We have been fortunate in recently hiring a qualified man for this post. But good men trained in this field are scarce. Can we be assured of continuing to attract and hold top calibre Directors without these major facilities?

The Mayor's salary should not be a source of controversy in modern times. To expect a competent man to look after the volume of administration attached to the mayor's position in a growing town of 9400 for anything less than a \$6,000 salary is to be completely unrealistic. It is a plain fact that any man with the ability to do a good job as mayor would be foolish to give away his time and talents. The figure proposed in this by-law is by no means high. By offering this salary for this post St. Albert can expect to attract the kind of men we need to run for office. The kind of man needed will return us \$6,000 a year in money saved through efficiency and through increased growth he can engineer for the town. By all means let us get the 2/3rd majority required to pass this by-law this month.

Voters will also be asked for a decision on Sunday Sports, Garbage Pick-up, Protestant Kindergarten through the School System. Time to think it over . . .

We urge all our readers to think seriously about these plebiscites from every angle - and then to Get Out and Vote on October 19th. When only a small percentage of votes is cast it gives a very poor impression of our community. In the past our record has not been very good in this respect.

Let's have at least 80% turnout at the polls for ST. ALBERT'S OLDEST AND LARGEST TOWN.

176 Members Baptized at Evangelical Lutheran Church

Sunday, October 2, 11:00 a.m., became a historic moment in the life and history of St. Albert Evangelical Lutheran, Dr. Karl Holfeld, President of the Evangelical Lutheran Church of Canada, officially organized the congregation, now formed and operating with a baptized membership of 176, confirmed membership of 86, and a voting membership of 79. The original membership of this congregation is somewhat larger than any of the other three Canadian Mission congregations Pastor Olson has started, and he is very hopeful for its future and growth. Many have indicated their desire to affiliate with St. Albert Evangelical Lutheran, but your pastor found it impossible to reach all in time for the Organizational Meeting. However, would you kindly phone the office at 599-3796, and proper arrangements will be made. The Charter Membership has been declared open until December 31 of this year.

The Pastor of the congregation was installed at the afternoon service by Dr. Holfeld. The following Pastors assisted: Dean Haferman of Messiah Lutheran; Phillip Jorgenson of Mount Zion Lutheran; Albert Rasmussen of Our Saviour's Lutheran; and Art Holmes of Forest Heights Lutheran, representing the Edmonton-Camrose Conference; all of Edmonton. The Newly formed Board of the congregation are: Dave Barry; Adolph Buehring; Douglas Carlyle; Peter Damgaard; Ray Field; Gunnar Jensen; Stanley Johnson; Armand Loshack; Willard Pederson; Walter Shellenberger; Donald Webb; Ronald Wilhelm; and William Yont.

The Corner Stone Service also took place, supplied by the architect, and fittingly inscribed upon it are the words of Christ which indicate what St. Albert Lutheran stands for, and whose work and ministry it really is: And Jesus said: "I will build My Church." To God alone the Praise and Glory for His great work amongst us!

HISTORIC BAPTISMAL SACRAMENT WAS ADMINISTERED as part of the initial service held in the new St. Albert Lutheran Church building on Sunday, September 26th. Eleven children and five adults became the first baptisms, to the strains of familiar "Jesus Loves Me" hymn played by Mrs. R. O. Olson at the organ (front of picture).

Question Marks

The appointment of a new, our second, full-time Recreation Director for the Town of St. Albert came to us and to many others as a big surprise!

We were aware that the majority of Council favoured the hiring of a full time Director, as was made clear at the time they approved the advertising for this position. But we did NOT expect the appointment would be made in such haste - and before some unfinished recreation business was settled in our Town.

It seems we have forgotten Council's decision, made months ago, to work out a General Recreational Policy for the Town of St. Albert. A decision made for the good and simple reason that such a policy was VITAL if we were to avoid - once and for all - the misunderstandings, difficulties and conflicts we have been plagued with in the past!

In the absence of that General Policy we are faced with the following facts:

1. We do NOT have an overall Recreation Policy and Aim.
2. The decision on establishing a Recreation Board has not even been made!

All these recreational matters are recognized by Council as most important - an attitude so many times expressed during Council meetings.

Why appoint a Recreation Director if our Recreational POLICY AND AIMS are not yet formed and clearly defined in print - understandable for everybody?

Is it fair to appoint a man in these circumstances? Are we so much persuaded of the "Excellence" of results during our former period with a full-time Recreation Director - followed by the "Bad" results without a Director?

For what reasons did Council take these hasty steps?

The Parks and Recreation Department has provided over the past seven months, without a Director, an effective and well accepted Recreation Program for the Town.

Why not continue this feasible and low cost program temporarily until such time as Council has come up with a defined policy covering the whole recreational set up?

We welcome MR. ELMER HARRISON as a fine sportsman with his warm feelings toward our community, and we are sure that he will be a great help over the entire range of recreational activities in our Town. But we believe that he deserves and should have been given a well planned complete recreational structure, built not of straw, but of solid concrete.

LIONS

George Willis, President of the St. Albert Lions Club has announced the judges for local entries in Lions International's Peace Essay Contest.

The Club President, named the following people as judges:
Mrs. Gordon Ferry, a teacher - 206 - 12707 & 91 St., Edmonton;
Mervin Jones a teacher - 11240-50 St., Edmonton; Doug. Petherbridge a Supervisor of Linguistics - 76 Sunset Blvd, St. Albert.

They will determine the club's entry in the International Contest. The Contest is open to all young people in St. Albert and District who are 14 years of age and under 22 as of January 15, 1967.

The Contest was initiated to generate an awareness and understanding of peace among tomorrow's leaders, Mr. George Willis said.

He said the Contest would release the ideas of a cross section of the world's youth on the most pressing challenge facing the world today.

The Contest offers a grand prize of \$25,000 in the form of an educational and/or career assistance grant to the world winner. A grand total of \$50,000 in awards will be made. In addition to the \$25,000 first prize, eight world division semi-finalist prizes of \$1,000 each will be given and these eight semi-finalists will also get travel expenses to Chicago, Illinois in July, 1967. At that time the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

The St. Albert Lions Club's winner will be advancing up the ladder to that prize. In addition the first, second and third local prize winners will receive \$100, \$50 and \$25 respectively.

Of the three judges selected, Mrs. Gordon Ferry is a teacher of English in the St. Albert High School. She has a Bachelor of Education degree from the University of Alberta.

Mervin Jones is a teacher of English in the Paul Kane High School. He received his early education in England and graduated with honours standing in Bachelor of Education from the University of Alberta.

Doug. Petherbridge is Supervisor of Linguistics in the Edmonton Public Schools. He is finishing his Thesis for a Doctor of Education degree at the University of Alberta.

The Contest, announced at the 49th Annual Lions Convention in New York, by President Edward M. Lindsey, of Lawrenceburg, Tenn., is one of the highlights of the 50th Anniversary of the world's largest service club organization.

The world-wide contest, open to contestants sponsored by Lions' more than 20,000 clubs throughout the world, is the largest Peace Essay Contest in the world.

If successful at the multiple district level, the winner will advance to a world division and an opportunity for the grand prize.

World divisional winners will receive \$1,000 and a trip to Chicago for Lions' 50th Anniversary Convention for the final judging of the contest.

"Anyone who wants the rules and further details of the contest should contact any member of the St. Albert Lions Club, or me," Mr. George Willis said.

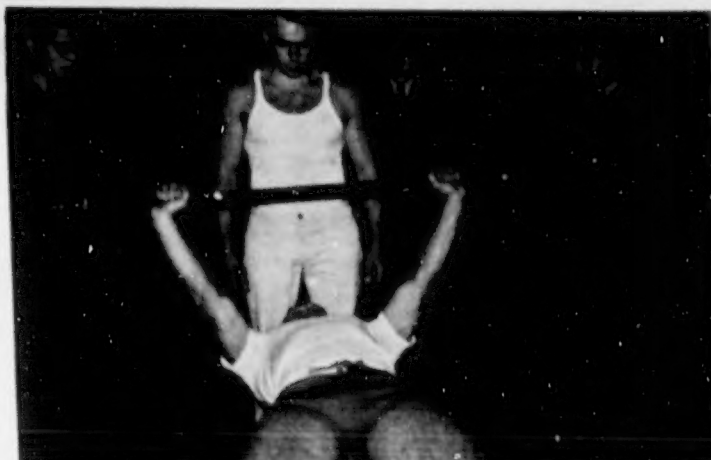

Lions International, with more than 800,000 members in more than 130 countries in the free world, is the largest service club organization in the world.

THE TOP STUDENTS AT MACKENZIE - Here they are - the pupils who won the highest standing in each grade last term: Barry Kauppla, Thomas Jansing, Elizabeth Dawkins, Janice Tomash, Donald Hunt, Janice Unterschultz, Llan Holman. Not present is Gr. 8 winner Sylvia Holland.

Award Night

MACKENZIE STUDENTS HONOURED AT AWARDS NIGHT PROGRAM:

Friday night was Awards Night at the Sir Alexander MacKenzie Junior High School and a proud and happy occasion for the students and parents involved. Total enrollment last term was 301 students under a staff of 15 teachers.

14 pupils from Grades 2-8 received awards for perfect attendance. Merit Certificates were presented to 25 students in Grades 7 and 8 who achieved a standing of 65-79% on all subjects.

There were 33 students who qualified for Honour Awards by

attaining an average of 80% or higher. Dr. Cuts presented these to Barry Kauppla, Leslie Sawchuk and Joanne Olson (Gr.1); Thomas Jansing and Ian Lensink (Gr.2); Eliz. Dawkins, Tim Ralphs, Judith Kiaszus, Sarah Hemingway, Domini Christian, Beverly Browne Heather Dawkins and Lorna Kauppla (Gr.3); Kathy Olson, Wilfred Petherbridge, Janice Tomash and Heather Tomlinson (Gr.4); Donald Hunt, David Grice, Laurence Barry, Virginia Browne and James Winters (Gr.5); Janice Unterschultz, Laurie Hart, Holly Hill (Gr.6); Sherri Tomlinson, Llan Holman and Marde Senluk (Gr.7); Holly Nickerson, Sylvia Holland, Jimmy Douglas, Francina Vanderstraten and Trudy Tomash (Gr.8).

Academic Awards went to the student receiving highest standing in each grade (see photo.) The Grade 7 and 8 top students were also presented with a Birks Medal for their fine achievement. Llan Holman and Sylvia Holland (who has since moved from St. Albert) were the medal winners.

House League Awards - for academic athletic and all worth while activities - were awarded on the basis of points earned to James Yuskiw of McDougall House - who received the House Shield; and to Robyn Bruer who received the "Individual Student Award".

To Janice Unterschultz and Brian McBroom went the Home & School prizes for General Proficiency, and Robert Mann received the Sportsmanship Award.

Janice also was awarded the Harvey Trophy for the "Best All Around Boy or Girl in Grade 6" Following the presentations, Guest Speaker Mr. H. Reynolds, Assistant Superintendent of Schools in Truro, Nova Scotia, addressed the assembly.

Adding colour to the evening and much enjoyed by the audience

were a Recitation by Mrs. Pawluk's Grade 4 class, a vocal duet by Llan Holman and Shirley MacKenzie and a number by the Tzena Tzena Girl's Chorus. NOTE: Pictures of the Awards Night in the Gazette and others not shown may be obtained by phoning John's Photo Craft at 599-3873 or 6076.

Photo by John's Photo Craft.

Llan Holman receives the Birks Medal for Highest Honours in Grade 7, from Superintendent Dr. A. Proudfoot.

Little Robyn Bruer Grade 2, graciously accepts her "Individual Student Award", from a self-possessed Dale Reinbolt, who congratulates her.

Robert Mann accepts the coveted plaque for Junior High Sportsmanship from teacher Mr. Bulmer who is in charge of the sports program at MacKenzie School.

FINAL REGISTRATIONS FOR THE MEN'S LEAGUE AND THE MIXED SUNDAY AND WEDNESDAY LEAGUES WILL BE TAKEN AT THIS MEETING.

MENTAL HEALTH

YOUR children will soon be men and women, with responsibility to THEIR children to make THEM happy, useful citizens. YOU, as father or mother, can enrich, or you can impoverish your children's lives. Of course you want to enrich their lives, so we invite you to write for the free pamphlet 'Your Child's Mental Health,' to the Canadian Mental Health Association, 619 Revillon Building, Edm.

Did you know that at least half of the physical ills treated by your doctor are caused or complicated by emotional factors? Your family doctor, through the College of General Practice, has joined with the Mental Health Association, to produce a useful pamphlet entitled 'Worry, Worry, Worry.' It's free, and it will help YOU to understand yourself. Write to the Canadian Mental Health Association, 619 Revillon Building, Edmonton.

Skilled artisans of the Ivory Coast still carve the handsome elephant-tusk figurines that gave their country its name, the National Geographic says. Economic advance has changed most of the nation's other traditional ways, however. Abidjan, a fisherman's camp at the turn of the century, has fluorescent-lit highways and cloverleafs and gleaming buildings reminiscent of Miami Beach.

INDIA'S PM. Mrs. Indira Gandhi, daughter of the late Jawaharlal Nehru, is the first woman to rule India as Prime Minister. She was elevated to the post by the ruling Congress Party. Mrs. Gandhi is the second woman prime minister in this century. Mrs. Sirimavo Bandaranaike was elected PM of Ceylon.

Check Around Home

One hundred years ago a New England historian named Francis Parkman set about writing the story of the struggle between France and England for the control of North America. The task took him 40 years. He tramped and paddled over much of the area where the great battles occurred and pored for months over the archives at Paris, London, Quebec, Boston and New York. His works, published in 16 volumes, became a classic.

Today thousands of sets of Francis Parkman are scattered across North America. Many gather dust on bottom shelves in libraries. They fill old cartons in attics. They are frequently pitched into the garbage.

Five years ago one set was

given to St. John's Cathedral Boys' School at Selkirk, Manitoba. The School's history teach-

ers found them everything that modern history textbooks so frequently fail to be — fresh, readable, profoundly related to human values and human personality, capable of stirring in youngsters a genuine admiration and intimate familiarity for in-

dividuals on both French and English side.

Parkman was therefore added to the School's Grade 8 course, but for five years we have been handicapped by the fact we haven't sufficient copies of his books. We are therefore trying to find some. The School cannot pay for them. It receives no government assistance. Its teachers are paid little more than their room and board. While the

School is run by the Anglican Church, its students come from many religious denominations.

If there is a set of Francis Parkman in your home that you have long forgotten, would you consider donating it to St.

John's? It will be rebound and serve a valuable purpose, shaping the citizens of the future with the great values of the past. Write to St. John's Cathedral Boys' School, Selkirk, Manitoba, Canada.

X-RAY AND T.B. UNIT COMING

Sponsored locally by the Legion Auxiliary the mobile Chest X-Ray and Tuberculin Testing unit will visit Gibbons in the near future.

Safeguard yourself and your family by attending the clinic when it comes to your community. All persons not attending school will be included in this registration. Time and location of mobile

x-ray clinic in your district will be announced as soon as pre-registration of each family has been completed.

Oldtimer going to Australia

Mr. Tom Williams, who makes his home with his daughter, Mrs. Ron Manning in the New Braeside District of St. Albert, is leaving

Thursday on the first lap of a trip to Mudgee, Australia. He will sail on the "Canberra" from Vancouver on October 8th. He is going to visit his sister, Mrs. Long, whom he has not seen for 62 years and will be away about seven months.

Mr. Williams came to Canada from his home in Wales in 1904, settling first in Brandon, Manitoba. In 1908 he homesteaded in the Three Hills area of Alberta and some years later took a job with the CNR at Hanna where he remained until his retirement eleven years ago. At that time he went to live with his daughter in Calgary moving with the Mannings to St. Albert four years ago.

While he has not seen his sister since leaving Wales, they have carried on a correspondence through the years and Mr. Williams is greatly looking forward to his visit. Although seventy-six years old, he is in

good health and an accomplished traveller and last year visited another sister in England. His many friends in St. Albert wish him "Bon Voyage!"
